Page 2 of Application

This page is to be completed by applicants who are applying for Member or Junior (not Associate or Junior Associate) status in the SUVCW. The information needed to complete the top portion of the page will be in your ancestor's military or pension records, obtainable from a variety of sources including, state archived Adjutant General Reports (if your ancestor served in a state regiment of volunteers) and from the Old Military and Civil Records (NWCTB) Textual Archives Services Division of the National Archives and Records Administration, 700 Pennsylvania Ave. NW, Washington, DC 20408-0001. Separate order forms (with instructions and fee information for copies of military or pension records) must be obtained from the National Archives and then submitted back to them. These copies will provide documentation of an ancestor's honorable service to the Union, and must accompany an application.

The bottom portion of the page is your lineage from you to your ancestor. The last line should end with the name of your "Civil War ancestor." Complete all information you have available concerning the lineage. Use "Not Known" or "Not Applicable", as appropriate, when the information is not known or does not apply.
